

## **BUILDINGS AND FACILITIES MOORHEAD CAMPUS**

### **INSTRUCTIONAL BUILDINGS**

**The Greer-Stafford Allied Health Building**, named in honor of H. T. Greer, a former member of the Board of Trustees from Sharkey County, and Sam Stafford, a former Vice-President, was completed in 1993. The building houses classrooms and laboratories for Medical Laboratory Technology, Emergency Medical Technology, Medical Radiology Technology, and Licensed Practical Nursing. In 2001, the Dr. Arthur Richter Dental Hygiene Clinic, a 32,000 square feet addition named for the first Director of Dental Hygiene, Arthur Richter, was added to accommodate the Dental Hygiene Technology program.

**The Horton Building** accommodates classrooms, laboratory areas, and two computer labs for teaching Associate Degree Nursing, Business, English, Family & Consumer Sciences, Foreign Language, History, Psychology, Sociology, and General Education II as well as office space for faculty. The building, named in honor of W. B. Horton, a former president, was constructed in 1968.

**The Horton Annex**, constructed in 1955, is the oldest classroom building on campus. Renovated in 1988, the building provides a modern microcomputer laboratory for teaching computer classes.

**The Jack E. Harper Jr. Science Building** is a 26,700 square feet complex housing nine classrooms, eight laboratories, and office space. State of the art technology and laboratories support the instruction of physical sciences, biological sciences, and mathematics classes. Completed in 1998, the building was named in honor of a long time member of the Board of Trustees from Sunflower County, Jack E. Harper, Jr.

**The Yeates Fine Arts Building**, named in honor of Mrs. Mildred Yeates, a former music instructor, was completed in 1973. The building houses classrooms and studios for teaching art, music, and speech. The Joe Abrams Band Hall, Jean Abrams Art Gallery, Merle Tolbert Piano Lab, and M. E. Tharp Auditorium provide space for practice, displays and performances for the "Spirit of the Delta" Marching Band, the Ambassadors Show Choir and other special events.

**Tanner Hall**, completed in 1963, has classroom and lab space for classes taught in General Education II, business programs, and Distance Learning. A computer lab was added in 1994. The building is named in honor of E. A. Tanner, former member of the Board of Trustees from Sunflower County.

**The Allen-Foley Vocational-Technical Center** provides classroom and laboratory space for the career and technical programs. The Center, completed in 1977, is named in honor of Otis W. Allen, a former member of the Board of Trustees from Leflore County and Charles Foley, former Dean of the Career-Technical Center. Classroom space was remodeled to house the ABE/GED program in the Center during 2005. The ABE/GED classroom is named the Dr.

Farilyn Bell ABE/GED Classroom in honor of the first director of the ABE/GED program, Dr. Farilyn Bell.

**The Stanny Sanders Library**, a spacious structure featuring vaulted ceilings in the circulation and lobby areas, fulfills the academic needs of students, faculty, and community. The library's computer labs provide access to online databases and provide students with opportunities for researching and typing papers on the same computers through access to all the Microsoft Office products. Copying machines, audio and video cassettes, interlibrary loans, records, a laser printer, and an automated library management system are all available for student use. Named in honor of a former member of the Board of Trustees from Leflore County, Stanny Sanders, the library was constructed in 1972. It has a seating capacity of 482, and also includes a large media center, the College Center of Learning, study rooms, and a Community College Network room.

## **BUILDINGS AND FACILITIES**

**Stauffer-Wood Administration Building** located on the southern perimeter of the main campus was originally a National Guard armory. Renovation was completed in 1997, converting the structure into an 11,000 square feet office and multi-purpose building. In it are the offices of the President, Vice-President of Administrative Services & Institutional Effectiveness, Assistant to the President/Director of Development, Public Relations/Special Events and Alumni, and the Board of Trustees conference room. The building is named in honor of Sherman Stauffer, former business manager and assistant to the president, and Pete Wood, an alumnus and former agriculture teacher.

**The Herman A. Thigpin Cafeteria**, built in 1986, provides 16,000 square feet of food service and dining area. The main dining area seats over 400 students while a private dining room offers a smaller, quieter refuge for meetings and luncheons. The building is named in honor of a former longtime science instructor and Academic Dean, Herman A. Thigpin.

**The Boggs-Scroggins Student Services Center** houses the Admissions Office, Business Office, Student Financial Aid, Counseling and Recruiting, and the offices of Computer and Information Technology Services. Harmon Boggs, a former Dean of Instruction and Miss Nannie P. Scroggins, a former business manager, are honored in the naming of this building.

**The Vandiver Student Union**, named in honor of Joseph S. Vandiver, the first president of Sunflower Junior College, was built in 1968. The Student Union houses the Campus Bookstore, a student grill, a game and locker room and a spacious lounge area. The student government office, conference rooms and guest suites open onto the mezzanine overlooking the first floor lounge area. The offices of the Vice-President of Students Services, Campus Police, and the Career Center are located in the Student Union. The Chief William P. Lacy Campus Police Office is named for the first chief of campus police, William P. Lacy.

**The MDCC Law Enforcement Training Academy Range House and Firing Range**, located on the eastern perimeter of the main campus, was completed in 1997. The 4,000 square feet facility provides classroom space and an outdoor firing range.

**The J. T. Hall Coliseum**, named in honor of former president Dr. James Terry Hall, was completed in 1976. The coliseum is a multi-purpose facility which can seat approximately 1,000. Home of the Trojans and Lady Trojans basketball teams, the Coliseum also houses the office of the Athletic Director and offices for coaches. The Sports Hall of Fame Room is located in the J. T. Hall Coliseum and provides meeting space for activities held in the coliseum, as well as, displays for the MDCC Sports Hall of Fame inductees. The Helen Allen Dance Studio is located in the J. T. Hall Coliseum and provides practice and performance space, for the Delta Dancers. The studio is named in honor of a former Board of Trustee member from Sunflower County.

**The James "Wooky" Gray Field House**, completed in 1980, honors the former teacher and coach who lead the Trojans to success as the 1993 National Championship football team. The Field House provides space for athletic department offices, dressing rooms, training rooms, equipment storage, and accommodations for visiting teams.

**The Jim Randall Football Stadium**, named after former head football coach, Jim Randall, was relocated to its present site in 1966. The well-sodden football field is flanked by a 4,000 capacity stadium.

**The Jimmy Bellipanni Baseball Complex** was completed in 1974. Surrounded by a cypress fence, the complex accommodates a batting cage, dugouts, scoreboard, concession stand, rest rooms and bleachers behind home plate. Red sand added to the base lines and around home plate gives the field a professional look in keeping with the facilities. The baseball complex is named in honor of a former long-time coach and Athletic Director, Jimmy Bellipanni.

**The Women's Softball Field**, completed in 1980, features a well-drained, sand in-field with dugouts and scoreboard.

**The Soccer Field**, completed in 1998, is a well-drained, natural grass facility that serves as home for the Trojans' and Lady Trojans' soccer teams.

## **HOUSING FACILITIES**

**The Edwards-Stonestreet Men's Dormitory**, located on the eastern boundary of the campus, is a motel style structure which houses 258 men. The building is named in honor of Lum Edwards, a former county Superintendent of Education and J. D. Stonestreet, a former mathematics instructor and football coach.

**The Stennis-Penrod Building**, located on the northern edge of Trojan Lake, houses the sleeping quarters for the cadets attending the MDCC Law Enforcement Training Academy; two apartments for the staff of the LETA; and offices for the Director and staff of the LETA. A spacious lobby and an in-house laundry facility provide residents with comfort and convenience. The building is named in honor of Ms. Janie Stennis, a former science teacher, and Mrs. Noble O. Penrod, a former teacher of mathematics.

**The Women's Residence Hall**, completed in 2008, consists of 80 rooms that can accommodate 236 students. The facility has a lobby and recreation area both upstairs and down stairs. Wireless internet access is provided in the facility.

**President's Home**, built in 1973 and renovated in 2002, is located on the southeast edge of Trojan Lake and serves as the official residence of the institutional executive officer.

**MDCC Houses and Apartments** provide housing for faculty and staff in six three-bedroom houses, four three-bedroom duplexes, and four two-bedroom duplexes. Six two-bedroom apartments and seven one-bedroom apartments are included in the Veterans' Building.
