### STUDENT FEES

Mississippi Delta Community College is a public tax-supported institution. The fees and costs in all departments of the college are set on a semester basis. Statements showing unpaid balances on student accounts are mailed to the student at least twice a semester. It shall be the responsibility of the student to see that all bills are paid promptly. Each dormitory student must purchase a meal ticket. The student’s id will be activated for the cafeteria upon payment of board. Students not holding an activated id card for meals for the current boarding period will be required to pay the cafeteria cash for their meals until the id is activated. So far as possible, the living expenses will not exceed the amounts listed below; however, MDCC reserves the right to make fee increases in the event it becomes necessary.

## **INSTITUTIONAL REFUND POLICY**

Refund of Fees:

Refunds are based on total charges and not on the amount paid by the student. A student who officially withdraws from the college, may obtain a refund of college fees as follows:

1. Matriculation Fee:

75% if withdrawal is made within the first week

50% if withdrawal is made within the second week

25% if withdrawal is made within the third week

No refund if enrollment extends three weeks beyond the opening date

2. Club dues are non-refundable

3. Board: No deduction made for an absence of less than one week

4. Dorm room rent is non-refundable

5. A student in receipt of educational assistance from the Veterans Administration in a non-accredited course is refunded on a prorated basis for charges for tuition and fees, in the event the student withdraws or is discontinued.

Students on financial aid will not receive refunds until funds representing awards have been applied back to the respective accounts. All refunds will be returned to programs on the prorated basis and according to the components of the financial aid package. All refunds will be made in the following priority order:

1. Federal Sources (FSE06, Pell, Work-study)

2. State Sources (LEAP, MTAG, MESH, Help, Critical needs, William Winter)

3. Other Sources of Aid

4. To the student withdrawing

Financial aid is considered to be used first for direct educational costs – tuition, fees, room, and board, if in the MDCC dorm. During the first 60% of the semester, a student earns Title IV funds in direct proportion to the length of time he or she remained enrolled. That is the percentage of time during the semester that the student remained enrolled is the percentage of disburseable aid for that semester that the student earned. A student who remains enrolled beyond the 60% point of the semester earns all aid for that semester. Therefore, the student is eligible for a refund, if the award is in excess of the charges.

### **PRO RATA REFUND PROCEDURE**

The institutional refund policy does not apply to first time Title IV recipients at MDCC. The Pro Rata Refund Formula will be used in place of the institutional refund policy.

#### **Institutional Charges:**

1. Tuition
2. Books
3. Dorm
4. Out-Of-State Fee

#### **Non-Institutional Charges:**

1. Supplies
2. Club fees
3. Other fees

All institutional charges may be covered by financial aid, if student is eligible. However, supplies and other non-institutional fees are the responsibility of the student. Upon withdrawal, the student's account will be adjusted and he/she will be billed for any unpaid charges.
