

Mississippi Delta Community College

Moving to MDCC

Mississippi Delta Community College students are pictured with Dr. Ed Rice, Vice-President of Student Services, at the orientation session held for residence hall students on August 16, 2009. Dr. Rice introduced staff members from his office and reviewed specific rules and regulations of the College as well as the history of MDCC. He also encouraged students to participate in the on-campus organizations and various campus activities held during the year.
