**Caution:** To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.

**TIP:** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

**Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5.** See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

| <b>Step 2:</b><br><b>Multiple Jobs or Spouse Works</b> | Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. ## General Instructions

### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 and you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

**TIP:** Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4.

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

**Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)**

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only **ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

- 1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3 . . . . . **1** \$ \_\_\_\_\_
  
- 2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
  - a Find the amount from the appropriate table on page 5 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** \$ \_\_\_\_\_
  - b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 5 and enter this amount on line 2b . . . . . **2b** \$ \_\_\_\_\_
  - c Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** \$ \_\_\_\_\_
  
- 3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. . . . . **3** \_\_\_\_\_
  
- 4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (plus any other additional amount you want withheld) . . . . . **4** \$ \_\_\_\_\_

**Step 4(b)—Deductions Worksheet** *(Keep for your records.)*

See the instructions for Schedule 1-A (Form 1040) for more information about whether you qualify for the deductions on lines 1a, 1b, 1c, 3a, and 3b.

### 1. The personal exemptions allowed:

- |                                   |          |                     |         |
|-----------------------------------|----------|---------------------|---------|
| (a) Single individuals            | \$6,000  | (d) Dependents      | \$1,500 |
| (b) Married individuals (Jointly) | \$12,000 | (e) Age 65 and Over | \$1,500 |
| (c) Head of family                | \$9,500  | (f) Blindness       | \$1,500 |

### 2. Claiming personal exemptions:

(a) Single individuals enter \$6,000 on Line 1.

(b) Married individuals are allowed a joint exemption of \$12,000.

If the spouse is not employed, enter \$12,000 on Line 2(a). If the spouse is employed, the exemption of \$12,000 may be divided between taxpayer and spouse in any manner they choose - in multiples of \$500. For example, the taxpayer may claim \$6,500 and the spouse claims \$5,500; or the taxpayer may claim \$8,000 and the spouse claims \$4,000. The total claimed by the taxpayer and spouse may not exceed \$12,000. Enter amount claimed by you on Line 2(b).

(c) Head of Family

A head of family is a single individual who maintains a home which is the principal place of abode for himself and at least one other dependent. Single individuals qualifying as a head of family enter \$9,500 on Line 3. If the taxpayer has more than one dependent, additional exemptions are applicable. See item (d).

(d) An additional exemption of \$1,500 may generally be claimed for each dependent of the taxpayer. A dependent is any relative who receives chief support from the taxpayer and who qualifies as a dependent for Federal income tax purposes. Head of family individuals may claim an additional exemption for each dependent excluding the one which is required for head of family status. For example, a head of family taxpayer has 2 dependent children and his dependent mother living with him. The taxpayer may claim 2 additional exemptions. Married or single individuals may claim an additional exemption for each dependent, but

should not include themselves or their spouse. Married taxpayers may divide the number of their dependents between them in any manner they choose; for example, a married couple has 3 children who qualify as dependents. The taxpayer may claim 2 dependents and the spouse 1; or the taxpayer may claim 3 dependents and the spouse none. Enter the amount of dependent exemption on Line 4.

(e) An additional exemption of \$1,500 may be claimed by either taxpayer or spouse or both if either or both have reached the age of 65 before the close of the taxable year. No additional exemption is authorized for dependents by reason of age. Check applicable blocks on Line 5.

(f) An additional exemption of \$1,500 may be claimed by either taxpayer or spouse or both if either or both are blind. No additional exemption is authorized for dependents by reason of blindness. Check applicable blocks on Line 5. Multiply number of blocks checked on Line 5 by \$1,500 and enter amount of exemption claimed.

### 3. Total Exemption Claimed:

Add the amount of exemptions claimed in each category and enter the total on Line 6. This amount will be used as a basis for withholding income tax under the appropriate withholding tables.

4. A NEW EXEMPTION CERTIFICATE MUST BE FILED WITH YOUR EMPLOYER WITHIN 30 DAYS AFTER ANY CHANGE IN YOUR EXEMPTION STATUS.

5. PENALTIES ARE IMPOSED FOR WILLFULLY SUPPLYING FALSE INFORMATION.

6. IF THE EMPLOYEE FAILS TO FILE AN EXEMPTION CERTIFICATE WITH HIS EMPLOYER, INCOME TAX MUST BE WITHHELD BY THE EMPLOYER ON TOTAL WAGES WITHOUT THE BENEFIT OF EXEMPTION.

## **INFORMATION NETWORK RESOURCES POLICIES & PROCEDURES**

---

### **I. INTRODUCTION AND PURPOSE**

The purpose of the MDCC Information Network is to support the overall educational mission of the college, in accordance with college policies. Access to the network and its resources is a privilege. Network users must respect the rights of others and the integrity of the components of the network.

This policy governs the use of all computers, computer-based networks, and related hardware and software at Mississippi Delta Community College. Under federal statutes and the sections of the Mississippi code that regulates the use of these resources, the college is required to ensure that this equipment and software are used properly, and for the purpose for which state funds were expended. The intent of this policy is to allow maximum freedom of use consistent with state and federal law, college policy and a productive work environment.

### **II. SCOPE**

This policy applies to all college faculty, staff, administrators, students, and members of the community who use the College network resources. It covers all computing hardware that is connected to the network, including microcomputers, printers, etc. It also includes all network infrastructure: data wiring and fiber optic cable, routers, switches, hubs, servers, data connectors, and all other associated hardware and materials.

The following types of software are covered under this policy: operating systems, network software, compilers, and all instructional and application software defined as "supported by the college".

The following categories of data systems are included: the administrative and student information system and data that have been collected or generated by the college. Not covered is software or data that the college does not support, even though such may be stored on college hardware and/or used by individual departments.

### **III. GENERAL STATEMENTS**

**A. Training** – Training is provided for administration, faculty and staff as new hardware, software and services are made available. Prior to receiving access to the network, each employee must demonstrate a satisfactory level of proficiency in certain areas such as proper use of passwords, how to access the internet, e-mail, administrative software, and other application software. Administration, faculty and staff are encouraged to attend workshops and classes at off-site locations provided sufficient funds are available in the departmental budgets.

Training will be made available to the employee at the time of employment.

**B. Network Access – Network access is controlled by passwords, and the level of access granted is determined by a user's job-related or educational requirements.**

- 1. User names and Passwords – Users will be assigned a user name and password which should not be disclosed. User names will follow a naming convention developed by the Office of Information Technology. Passwords must be at least eight positions in length. The recommended length is eight to twelve positions. Passwords must contain an upper case character, a lower case character and must contain at least one number, and may not contain spaces. The password should not contain the user's account name or parts of the user's full name. Users will be required to change passwords periodically. The password can not be the same as the last four used passwords. Requests for new user names and passwords should be submitted and approved using the User Access Request Form. Requests for user names and passwords to be deleted from the computer system when an employee is terminated should be submitted and approved using the College's Employee Departure Form.**
- 2. Accounts – Network accounts for employees are managed by the Office of Information Technology staff. Requests for establishment or modification of employee accounts must be approved at the Dean/Director level or above. Specific access granted to an employee account is subject to approval by the appropriate Dean/Director with the guidance of the Director of Information Technology. Removal of an account occurs when the owner is no longer an employee of the college, or when disciplinary action is indicated. It is the responsibility of the employee's supervisor to notify Information Technology staff within 24 hours of an account holder's separation from service. Student accounts and public accounts must be requested and maintained by the appropriate department under the supervision of Information Technology staff.**

**C. Ethical Use – The network is for official college use only and must not be used for personal business, profit-making ventures, political activities, or to harass or offend anyone. Some employees will be given access to the student information systems and/or other administrative systems. The confidentiality of these records is governed by the federal Family Education Rights and Privacy Act of 1974 (a.k.a. Buckley Amendment, FERPA). All information is confidential, and students have a right to expect that their scholastic records are being properly supervised and maintained. Requests for disclosure of this information must be approved by the appropriate administrative officer.**

**D. Security – All information is property of Mississippi Delta Community College, and use or distribution is prohibited without approval of the appropriate department. Information should be protected against unauthorized access and/or destruction. A backup copy of administrative information is made daily. It is recommended that each user make a backup copy of information on individual personal computers frequently. A disaster recovery plan is maintained by the Office of Information Technology. Users should not leave a terminal/computer unattended while signed on. A secure off-site facility will be provided for storage of backups, user documentation, copies of disaster plan, and critical forms. The college attempts to protect the network from intrusion from within and without. All suspected attempts to violate network security must be reported to the Director of Information Technology as soon as possible. If it is determined that a breach in network security has compromised sensitive information, the President of the college may request the aid of law enforcement to handle the investigation. The Office of Information**

**Technology will periodically check for, and follow up on, security violations.**

- E. Disaster Recovery Plan – The Office of Information Technology maintains a Disaster Recovery Plan. All programs, files, folders, configuration and security information is saved on a daily basis. Backup of individual personal computers is the responsibility of the individual user.**
- F. Software Supported by the College – Software standards will be established and distributed by the Office of Information Technology. Only approved software will be supported and maintained. The support and maintenance of other software will be the responsibility of the user. Computer software should be properly registered to obtain updates and protect warranties or other legal rights.**
- G. Computer Hardware – Computer hardware should not be relocated or have components added or removed without coordination with the Office of Information Technology.**
- H. User requests – All requests for services which fall within the realm of the Office of Information Technology (telephones, e-mail, hardware, software, programming, network services and support, Internet access) should be submitted by the appropriate supervisor using the Tredit System. The request will be directed to the proper Office of Information Technology personnel for resolution.**
- I. Web Site – The college will operate a web site for the purposes of recruiting and disseminating college information. This service will be operated and maintained by the Webmaster. All requests concerning this area should be directed to the Webmaster.**
- J. Access to the Internet - The college provides Internet access through the college network to all employees having a network account. Student Internet access is through the individual instructional departmental laboratories, learning centers, and computer classrooms. Community access is through the learning centers and open labs as approved by the college. Internet access is intended only for official college business. The college discourages personal use of the Internet through the college network, especially during the normal business hours. The college does not condone access to sites which contain pornography and other sexually explicit material. The use of the Internet for political purposes, illegal activity, profit-making ventures, or the harassment of individuals or organizations is considered a violation of college policy. Users should be aware that our system logs all Internet sites which are accessed through the network. This information will be monitored on a regular basis through normal network maintenance and to investigate abuse of the resource.**
- K. E-Mail – An e-mail account is provided for each employee who has a network account. As with Internet access, e-mail is intended only for official college business and not for illegal activity, personal profit-making ventures, political purposes, or to harass any person or organization. E-mail is, by definition, public, and is subject to review by college officials without prior notification. Users are responsible for maintaining their e-mail accounts and removing old messages.**
- L. Agreement – Every employee who uses the network is required to read and sign the "Information Network Resources Use Agreement".**

**M. Sanctions –**

- 1. Employees – An employee found guilty of violating the terms of the "Information Network Resources Use Agreement" is subject to sanctions. If misuse of the network by an employee threatens the stability of the network, the Director of Information Technology will suspend network privileges immediately. Additional sanctions could include reprimand by the appropriate supervisor, dismissal, criminal prosecution or any other sanction as outlined in the college's Policies and Procedures Manual.**
- 2. Students – A student found guilty of misuse of the network is subject to loss of network privileges, criminal prosecution, or any other disciplinary action described in the MDOC Catalog.**
- 3. Public – A member of the public found guilty of misuse of the network is subject to loss of network privileges and/or criminal prosecution.**

- When a student registers for a class on the web (SSB/MyBanner), "RW" status code is assigned. When a student is registered directly in Banner (INB) for a class, "RE" status code is assigned. These codes are displayed on the Attendance roll under the Reg column. When a student is dropped from a class the status code will be changed as follows:
  - The registration status code for any student marked as a no show will be changed to "DD" and the first day of class is used as the status date. Any student marked as CIs WD whose LDA is within the refund period (two weeks) will also be changed to "DD". The student will be removed from the Detail and Summary Class List in SSB/MyBanner but will remain on the Attendance roll. The student will receive a 100% refund for the class.
  - After the refund period, the registration status code for a student marked as CIs WD will be changed to "DC" and the LDA (last date of attendance) will be used as the status date. A "W" grade will be automatically assigned. The student will not receive a refund for the class.
  - The registration status code for a student marked as Exc Abs will also be changed to "DC" and the LDA will be used as the status date. An "F" grade will automatically be assigned, but may be changed to "W" using the Final Grade option on the Faculty Services tab in SSB/MyBanner using established.
  - If a student is readmitted (reinstated) to a class, the "DC" status code will be changed back to "RE". The LDA and grade will also be removed.
  - If a student is withdrawn from school (ALL classes) in Banner, "WS" enrollment status code is assigned to the student term record in Banner. If all classes have been recorded as no shows or dropped within the refund period "WD" is assigned to the student term record.
- Currently VCC class withdrawals are processed directly in Banner (INB).
- **ATTENDANCE REMINDERS:**
  - All attendance (absences, class withdrawals, no shows) should be up-to-date and complete prior to entering final grades!
  - Please do not wait to assign a W grade at grade entry time! If a student has "cut out" or withdrawn, you should go through the proper steps in the attendance module to record that prior to grade entry time! If you do give a W grade at grade entry time, you MUST enter an LDA!
  - When finished with marking absences for the class, be sure to click on Save Audit Roll or you will lose attendance entered. ***\*NOTE: You MUST save attendance before changing weeks. For example, if you enter attendance for Weeks 1-4, and want to then record attendance for Weeks 5-8, you must save Weeks 1-4 before proceeding to the Weeks 5-8 screen.***
- The information in the Attendance roll will be updated in Banner each afternoon (5:00 pm).
- The information for a dropped class will only be updated in Banner once. If LDA has been entered incorrectly, the Final Grade option on the Faculty Services tab may be used to make a correction. A correct LDA is essential for financial aid and state board auditing purposes.

## BANNER – Final Grade Entry

*\*MDCC does not record mid-term grades\**

- **IMPORTANT!** All attendance records should be updated before proceeding with final grades!

***\*\*Please do not wait to assign a W grade at grade entry time! If a student has "cut out" or withdrawn, you should go through the proper steps in the attendance module to record that prior to grade entry time!***

- Click on **MyBanner** link from the MDCC web site at [www.msdelta.edu](http://www.msdelta.edu)
- Click on **MyBanner Log In**.
- Click on **Enter Secure Area** on the initial Self Service Banner (SSB/MyBanner) page.
- Enter your User ID (Banner ID or SSN) and your PIN (Password).
- Click on **Log In**.
- Click on **Faculty and Advisors** menu item OR the **Faculty Services** tab.
- Click on **Final Grades**.
- If a term has not been previously selected, click on the down arrow to select the term then click **Submit**.
- Click on the down arrow to select the CRN for class, and then click **Submit**.
- Click on the down arrow under the grade column and select a grade.
  - \*\*NOTE:** For class withdrawals leave the grade as "W". For excessive absences the grade may be left as "F" or changed to "W" based on school policy.
  - \*\*NOTE:** Instructors **cannot** enter an "I" grade in MyBanner. If you need to assign an "I" grade, please contact the Office of Instruction at 662.246.6317. If an "I" grade for incomplete is assigned, please remember that according to college policy, the "I" grade will be changed to "F" within one year if you do not submit a change of grade form to the Office of Admissions before the incomplete extension date.
- **Last Attend Date should be blank for students completing the class.** If a student has a class withdrawal or excessive absences, check the last attend date and correct if necessary. The date should be entered in MM/DD/YYYY format (include the slashes).
  - \*\*NOTE:** Students that show **"non-gradable"** in the final grade column should **NOT** have a date in the LDA field. If there is a date in that field, grades for other students **will not** post.
  - \*\*NOTE:** If you give a "W" grade, a LDA **MUST** be entered. Also, if an "F" grade was assigned to a cut-out, a LDA **MUST** be entered. An **EARNED** "F" grade should **NOT** have an LDA.
- ☐ Also – there seems to be some confusion about this -- "Last Attend Date should be blank for students **completing** the class with a grade." You only enter an LDA if the student cut out or withdrew from the class. The date should be entered in MM/DD/YYYY format (include the slashes)." To explain – According to policy, at some point in the semester, you have the option to give a student a W or F grade if a student cuts out or withdraws from your class. **If you decide to give an F grade, you still must put an LDA because the student either cut out or withdrew & did not complete the class.** The key word in the statement above is **"completing"**. If a student cuts out or withdraws from your class, this is not considered completing the course with a grade, although you may choose to give an F grade.

**ALL CUT OUTS & CLASS WITHDRAWALS MUST HAVE EITHER A W OR F GRADE AND MUST HAVE AN LDA!**

- Leave Attend Hours blank.
- A reminder message will display at the bottom of the page that you have **20 minutes** to finish entering grades for this class.
- When finished entering all grades, click **Submit**. A message will be displayed at the top of the screen indicating the changes were successfully saved or error messages will inform you of any errors.
- If the Rolled column contains an N you may update the grade. When all grades for the term have been received, they will be rolled (updated) in history and any grade changes will need to be made by the Admissions office.
- To enter grades for another class click on CRN selection at the bottom of the screen, select the CRN for the class, select **Final Grades**, and then repeat steps above.
- Verify that all grades have been entered correctly.
- Click on Exit when finished.
