

## ELECTRICAL TECHNOLOGY TECHNICAL CERTIFICATE

Electrical Technology is a program of study that prepares individuals to install, operate, maintain, and repair electrically-energized systems such as residential, commercial, industrial electric wiring, DC and AC motors, controls, and electrical distribution panels. Instruction in the use of test equipment is included. A minimum ACT score of 15 is required or applicants must score at the 11<sup>th</sup> grade level on the TABE Form 9 to be admitted to the program. Exceptions may be made with instructor permission for students who do not meet entrance requirements provided the student meets the requirements by the end of the second semester or has a 2.0 grade point average.
