

INDUSTRIAL MAINTENANCE CAREER CERTIFICATE

The Industrial Maintenance program of study will prepare individuals for entry-level employment as multi-craft maintenance technicians. Industrial maintenance trade technicians are responsible for assembling, installing, maintaining, and repairing machinery used in the manufacturing or industrial environment. Instruction will include a variety of areas such as safety, machinery maintenance and troubleshooting/service, blueprint reading, basic machining operations, fundamentals of piping and hydro-testing, and fundamentals of industrial electricity. In addition, students will develop problem-solving skills in industrial electrical procedures, programmable logic controllers, and process control.

Admission Requirements

A minimum ACT score of 16 is required or applicants must score at the 11th grade level on the TABE Form 9 to be admitted to the program. Exceptions may be made, *with instructor permission*, for students who do not meet entrance requirements provided the student meets the requirements by the end of the first semester or has a 2.0 GPA.
