

ADMINISTRATIVE OFFICE TECHNOLOGY TECHNICAL CERTIFICATE

Administrative Office Technology is a program of study designed to prepare and train students for entry-level training in administrative office procedures, integrated computer applications, business financial systems, communication, accounting clerks, records clerks, transcriptionists, word processing specialists and to fill other positions requiring computer skills such as database management, Web design, and desktop publishing.

Admission Requirements

Students must submit a composite score of 14 or higher on the ACT. Students who do not have an ACT score, must score at the 9th grade level or higher on the TABE, Form 9/10 or have permission of instructor to be admitted to the program.

Students who are returning to the program after an absence of a semester or more must graduate under the current catalog requirements.
