

BUSINESS MANAGEMENT TECHNOLOGY TECHNICAL CERTIFICATE

Business Management Technology is a program of study that provides students with a relevant professional management education and effective approaches to technology, entrepreneurship, human resource, and management information. The student will develop skills in innovative aspects of technology and business management with an emphasis on project-based learning and field externships.

Admission Requirements

Students must submit a composite score of 14 or higher on the ACT. Students who do not have an ACT score, must score at the 9th grade level or higher on the TABE, Form 9/10 or have permission of instructor to be admitted to the program.

Students who are returning to the program after an absence of a semester or more must graduate under the current catalog requirements.
